Incident Narratives

Date Created:

Senior Special Agent J. Wagner #1241

10/04/2022 1421 Hrs

**Original Narrative** 

BASIS FOR INVESTIGATION: The Special Investigations Unit received an investigative referral regarding an State Correctional Center. assault of corrections officer by an inmate at Pocahontas

SYNOPSIS: On 9/13/2022, Corrections Officer Trent Sagady was escorting nurse Diara Edwards through B2 POD, conducting COVID temperature checks. Upon coming to the cell of Inmate Isaw Blake, #1106405, the inmate became belligerent and ultimately attacked Officer Sagady. Several security staff members responded to gain control of the inmate (Exhibit A - Institutional Incident Reports).

Officer Sagady was assessed by Princeton Community Hospital (Exhibit B - Medical Documentation - Sagady). Inmate Blake was transferred to Wallens Ridge State Prison. The WRSP institutional investigator's office collected photos of the inmate; Blake was assessed by DOC medical staff (Exhibit C - Photos of Blake & medical documentation). Officer Sagady stated that he did wish to seek prosecution of Inmate Blake.

#### 1. INTERVIEW OF VICTIM/COMPLAINT:

1.1 Corrections Officer Trent Sagady: SA Wagner spoke with Officer Sagady, by phone on 9/21/22. The officer said he had announced for inmates to be up and dressed for temperature check, as he was escorting the nurse to conduct COVID temperature checks. When they arrived at Inmate Blake's cell, the inmate was belligerent and arguing about following instructions. Officer Sagady said the inmate rushed at him, tackling him to the ground. The officer said he had no past experiences with Blake, saying this was the first time he had spoken with him.

Officer Sagady said he went to Princeton Community Hospital where he was told that he had a strained muscle, an abrasion on his neck, and a laceration on his thumb. Officer Sagady stated he wished to pursue criminal prosecution of Blake.

The conversation with Officer Sagady was audio recorded.

#### 2. INTERVIEW OF SUBJECT:

2.1 Inmate Isaw Blake, #1106405: SA Wagner spoke with Inmate Blake at Wallens Ridge State Prison on 9/22/22. The inmate was advised of his Miranda Rights', which he waived (Exhibit D - Miranda Waiver - Blake). Blake said that Officer Sagady and the nurse were coming around to do COVID temperature checks; he stated that the officer told him to "Get your ass up". Blake said his temperature was taken and he turned to walk away, when the officer asked, "Why are you such a bitch".

Blake claimed the officer grabbed his "Mace" and told him to get on his knees; he refused. Blake denied tackling the officer or striking him, he denied striking any of the staff members. He claimed that the staff members beat him, "knocking my teeth out and swelling my head".

The conversation with Inmate Blake was audio and video recorded. The video camera battery expired at the 6: 18 time mark.

Case 7:23-cv-00381-RSB-PMS Document 5/1/21/FAled 01/29/24 Page 7 of 52 Pageid#: 371

NOT FOR PUBLIC RELEASE

220705 - Pocahontas State Correctional Center

3.1 Nurse Diara Edwards: SA Wagner spoke with Nurse Edwards, by phone on 9/22/22. Edwards recalled the officer announcing temperature checks. When they came to Blake's cell, the officer asked the inmate to get up for temperature check, Blake replied, "Who the fuck you talking to like that". The inmate complied with having his temperature checked, but continued to be belligerent toward the officer. Nurse Edwards stated that Blake attacked Officer Sagady. She stated the officer did not use foul language or belittle the inmate, just asked him to get up for temperature check.

The conversation with Nurse Edwards was audio recorded. No video of the incident under investigation was available due to the alleged assault occurring inside the cell.

#### **EXHIBITS:**

- A. Institutional Incident Reports
- B. Medical Documentation Officer Sagady
- C. Photos of Blake & Medical Documentation
- D. Miranda Waiver Blake

STATUS: THIS IS A FINAL REPORT.

**RELEASE OF INFORMATION:** No part of this document may be further disseminated without the prior approval of the Director, Department of Corrections.

#### Description of Incident:

On Tuesday, September 13, 2022 at approximately 8:40 a.m. inmate on staff assault was announced via radio in Bravo 2 pod. I. Unit Manager B. Smith, responded to the incident. At approximately 8:41a.m., I arrived in B2 pod and began assisting responding staff in gaining control of the inmate I. Blake #1106405, who was refusing to comply with staff's orders to stop resisting. I assisted in gaining compliance and restraining the lower extremities of inmate Blake. Once inmate Blake was restrained, I supervised inmate Blake being escorted to RHU. Once in RHU, inmate Blake was ordered to be placed on 5 point restraints per Major D. Lee. At approximately 9:02 a.m., inmate Blake was assigned to RHU cell #1 without further incident. Once in the cell, I supervised inmate Blake being placed in 5 point restraints. At approximately 9:15 a.m. the inmate was secured and restrained in the cell and I exited the cell along with the other staff. End of report.

Instructions f	<b>TETRIFORM</b>	prison
----------------	------------------	--------

- You must first attempt to resolve your issue through the informal complaint process prior to filing a Regular Grievance.
- You must attach the Written Complaint or other documentation used to satisfy the informal complaint process.
- Your grievance must be received within 30 days from the original incident or discovery of the incident, unless a more restrictive time limit applies.
- You must fill your Regular Grievance out completely and correctly
- You must explain your issue and how you were personally affected in the space provided, preferably in ink.
- You must avoid the reasons for rejection at intake; if your grievance is rejected you have 5 days to appeal the rejection.

~ Memorandum ~

Dear Parties;

of this assault.

My name is Isaw Waleed Blake, a prisoner of Wallens Ridge
State Prison, in which I was transfered to From level 3 focation tas State Correctional
Center after being assaulted by Correctional Officers at PSCC.

After this assault I was strapped to a bed for hours. Take Hicks (Warden)
J. Watto (Major) Smith (Unit Manager) were all there and they all failed to

reasonably respond to My Serious Medical needs and the excessive force in which was used on me inorder forme to sustain my life threating injuries.

I am holdingeach and every Agent invalved accountable for their invalvement a violation of the Eighth Amendment of the United States Constitution.

Officer Gagady, T. Whom is employed at PSC associted me then falsified a disciplinary report in which later lead to disciplinary actions against me. It violation of my due process in violation of the Fourteenth Amendment of the united states constitution. I was denied medical attention treament after being associated and then immediately transferred to WRSP.

The written and forwarded Memorandum's to Mss. E. Hillen as well as to Mr. W. Clarke and Mr. Holloway as well ... Informing each party.

	•
	I have yet to recieve a response from any one in regards
-	to my well being. In really trying to resolve this matter
	properly Currently In being harrassed by Staff and I do not
	feel Safe here at WRSP. Correctional Officer who assaulted n
	proved to have Connections here at WRSP.
	Record will show that on 1/4/2023; PSCC officers Conducted
	a Shake down here at WRSP where I'm housed.
	Officer Sagady, T came to my door then told me that I can't kill y
	but I'll take all your crap." I later had to grieve to get my Th
	back. This Matter was grieved however, C. Meade Claimed that
·	the situation does not harm me personally.
	I am running out of options at this point.
	2/10/2023; I was indicted on More assault charges.
	I am have been assaulted and now retaliated against for.
	Exhausting my administrative remedies at PSCC.
	I'm reminding you and informing the new parties that I need
	help in this matter. I am asking that this matter be
•	investigated immediately. I am not safe in this Region.
•	Thank you,
	Respectfully Submitted
	1 4PR 113 2023 I Saw Blake 1106405

Log Number:	80006
Log Number:	00000

**Instructions for Filing:** 

- You must first attempt to resolve your issue through the informal complaint process prior to filing a Regular Grievance.
- You must attach the Written Complaint or other documentation used to satisfy the informal complaint process.
- Your grievance must be received within 30 days from the original incident or discovery of the incident, unless a more restrictive time limit applies.
- You must fill your Regular Grievance out completely and correctly
- You must explain your issue and how you were personally affected in the space provided, preferably in ink.
- You must avoid the reasons for rejection at intake; if your grievance is rejected you have 5 days to appeal the rejection.
- When multiple issues are submitted on the same grievance, you will only receive a response to the exact same issue addressed through the informal complaint process. All other issues will be forwarded to appropriate staff for investigation and resolution.

#### PATIENT REPORT

**PATIENT NAME:** 

BLAKE, ISAW

DATE OF BIRTH:

08/09/1982

PATIENT ID:

246415

FACILITY:

WALLENS RIDGE STATE PRISON

ROOM #:

MEDICAL

DATE OF SERVICE:

09/15/2022

**REFERRING PHY.:** 

MULLINS, BENNY C

**TECHNOLOGIST:** 

Mark Miller

INTERPRETING COMPANY: REASON:

Flex TeleRad, LLC PAIN, TRAUMA ARRIVED AT 1350

**Results Document ID:** 

859776

PROCEDURE:

70140 - FACIAL BONES, LESS THAN 3 VIEWS

FINDINGS:

Facial pain

FACIAL BONES 3 views:

COMPARISON: NONE PROVIDED

FINDINGS:

There is no evidence of displaced fracture or dislocation. The orbits are suboptimally imaged. The visualized portions of the paranasal sinuses are grossly clear. There is a double density consistent with soft tissue mass projecting over the frontal bones on the lateral view consistent with hematoma

measuring 13 by 37 mm.

IMPRESSIONS:

IMPRESSION: Limited evaluation in the absence of a Waters view

1. No acute traumatic osseous abnormality, soft tissue mass likely hematoma over the frontal bone.

INTERPRETING DOCTOR:

Curt Liebman MD
